PUBLIC SPEAKS

PRESIDENT PRO TEM SMUCKLER: Public Speaks. We have 2 people signed up for Public Speaks tonight. Our first speaker is Kimberly Bell. Kimberly Bell. And she is a no show. Next speaker, Dave Kaminski. Mr. Kaminski, could you please state your name and address for the record.

DAVE KAMINSKI: Yes sir. David Kaminski. Um...130 32nd St. NW in Ward 9. Ladies and gentleman of City Council, um...in September I was appointed to complete an unexpired term on the Canton City Board of Education and in that role, I am asking you tonight, to support Issue 19, our school levy, on March 17. It is a 7.9 Mil operating levy which will raise about 5.1 million dollars a year. Now, that figure is never adjusted for inflation, it just continues at that level and that's why school districts in Ohio have to come back periodically and ask for new levies. School levies can last as little as five years but through good management and budget cutting, we have made the last levy last nine years. It was approved in 2011; however, we are running out of our reserves and by fiscal year 2022, which will start January...er...July of next year, we will uh...we will be out of money and um...if this levy fails, we will have to cut 5...mil...point 1 million dollars from next year's school budget after having cut 7.9 million dollars from this school year's budget. Uh...these new cuts would hurt classroom teaching and therefore, hurt children. Now, great things are happening in the Canton City School District under our new Superintendent, Jeff Graham. We are studying how we can return to neighborhood schools for kindergarten through fifth grade. We are finding partners in the community to help ensure that our students have uh...physical, dental, vision and mental health services. In addition to free lunches and free breakfast, we have now started a free dinner program for students and at last report, we are feeding 350 dinners per school night. We are listening hard to our teachers so we can provide them with support and professional development that will help them reach all children effectively. We are studying new ways to improve order and discipline so that every child has it's best chance to learn. There are good things happening in the Canton City Schools. Mayor Bernabei, on several occasions, has said, "Canton City Schools and the city of Canton government are partners in the betterment in the city of Canton." I believe that, I hope you believe that and I ask you individually, as leaders in the community as well as...as a body, to support Issue 7...Issue 19 on March 17th. Thank you very much.

MINUTES OF THE MEETING FEBRUARY 3, 2020

PRESIDENT PRO TEM SMUCKLER: Thank you. That concludes Public Speaks.

RESOLUTION #11 PASSED UNANIMOUSLY BY VOICE VOTE

CLERK DOUGHERTY: An Informal Resolution respectfully submitted by Council-As-A-Whole on this 3rd day of February, 2020. **Whereas**, Christine Smith was born on October 17, 1952 in Montgomery, Alabama and moved to Canton in 1965; and **Whereas**, Chris graduated from Canton McKinley High School in 1970 and has proudly worn the Bulldog symbol ever since; and **Whereas**, Chris previously worked at Burger King and as a receptionist at Canton City Hall before becoming a licensed Beautician; and **Whereas**, Chris Smith was elected to Canton City Council and sworn in on January 1, 2008 and is currently serving her seventh term; and **Whereas**, Chris was elected and served as the first black female Majority Leader for Canton City Council from January 2018 through December 31, 2019; and **Whereas**, Chris was an intricate part of the revitalization of Canton by working closely with Mayor Thomas Bernabei during her tenure as Majority Leader; and **Whereas**, Chris was recognized for her role in Canton's 2018 comeback by Crain's Magazine. **Now, Therefore Be It Resolved:** In recognition of February 2020's Black History Month, we, the Members of Canton City Council, do hereby go on record congratulating Christine Smith as the first black elected female Majority Leader for Canton City Council and honoring her for her contributions to the City of Canton. *(Applause)*.

PRESIDENT PRO TEM SMUCKLER: You can all come up front.

MEMBER SMITH: You know nobody can surprise me! For real? They were all at my house yesterday! *(Laughter)*. Oh my God, that's deep!

N'TORI SMITH: Congratulations mom!

MEMBER SMITH: Yes, yes. *(Laughter)*.

PRESIDENT PRO TEM SMUCKLER: You can come up front and take pictures. *(Inaudible)*. It is...

MEMBER SMITH: *(Laughs)*. She said, "Why are you crying"? I'm happy.

PRESIDENT PRO TEM SMUCKLER...It is not the first time that I've gotten the best of Chris Smith and I hope it won't be the last time either! But I do know, and I want to thank your family because they were tremendous...

MEMBER SMITH: I know.

PRESIDENT PRO TEM SMUCKLER: ...and...Jill and Dave and Beth helped keep this a secret and did a fantastic job.

MEMBER SMITH: Yep.

PRESIDENT PRO TEM SMUCKLER: Fantastic job.

TOMMIE MATHIS: I'm the one who told them about the Burger King *(Laughter)*. *(Inaudible)*. and you was a receptionist at City Hall. *(Laughter)*.

MINUTES OF THE MEETING FEBRUARY 3, 2020

UNIDENTIFIED VOICE: I'll take the picture. *(Inaudible)*.

MEMBER SMITH: Wow! *(Inaudible)*.

PRESIDENT PRO TEM SMUCKLER: Now, I want you to know that as far as being a beautician, I've asked Chris Smith for hair, she's done nothing for me. *(Laughter)*.

MEMBER SMITH: She said, "Me too"!

PRESIDENT PRO TEM SMUCKLER: *(Laughs)*. On the serious side, the city's come a long way. A long way. And, years ago I did some articles about the history of this city. And the sad part is, on the local basis, nobody's collecting all of this. My good friend, Peel Coleman at the time, walked me through a lot of the history of the black community and I think that we're...we have a void. But, Black History Month helps us, at least in the black community, recognize people that have done a lot for this community and our firsts in this community. And I know Chris was proud of being the first, black, female, elected Majority Leader. And this is to recognize her efforts with working with the Mayor to help bring this city back to where we are right now. And I would like you all to please join me in recognizing her because it doesn't happen often that we get to pull one over on her! *(Applause)*.

CHRIS SMITH: Well, thank you so very much. Um...to the Administration and uh...to Council Members and to all of my family, I'm gonna get y'all! *(Laughter)*. Um...I thank you so very much. I am proud to be the first African American female to be Majority Leader. And this really is a great honor, just to even be a part of Black History Month. Thank you so very much. And I wish...I'm going to tell y'all a little secret. I fell today and my lip is busted, but that's ok, so let me make sure that my lip is in so it won't be on the picture...go ahead...! *(Laughter)*. Alright. Thank you so very much and I love y'all. That was such a surprise, oh my goodness. Alright! Thank you. Yes. *(Inaudible)*. Oh...okay. *(Inaudible)*. *(Laughter)*.

(PICTURES BEING TAKEN)

PRESIDENT PRO TEM SMUCKLER: Jill, thank you.

MEMBER SMITH: Thank you, Jill. *(Laughter)*. *(Inaudible)*.

PRESIDENT PRO TEM SMUCKLER: That was fun and that's one of the good things we get to do down here, every once in a while.

I'm still tied tongue and surprised, but anyhow...my brother mentioned that I worked at City Hall. I worked under Paul Martin. At the time, he was uh...Youth Development for the city and his office was located here in City Hall. And on Saturday at 11:00, we're honoring him. His name has been placed in the gym floor, in his honor. So I would like to invite, especially the Council Members, I would like to invite each and everyone of you out at 11:00 at the Southeast Community Center. To be there to share in this grand

occasion. And that's this Saturday, February 8th at 11:00 in the Southeast...Southeast Community Center. Thank you.

PRESIDENT PRO TEM SMUCKLER: Anyone else? Um...I'd just like to take an opportunity, first of all, to echo...um...Member Smith's remarks. Those of you that know Paul Martin, know what a contribution he's made in a volunteer effort in this community, over the years, alone. Uh, especially for kids that needed help, serious help, coming up throughout this community. And um,. I think the show of support that we can do for Paul would be greatly appreciated; those of you that can make it. Um...number two, I lost someone this past weekend, an Aunt. And it always brings me to the reality of what our life expectancy is on this great place we live. In doing that, um, I wanted to recognize a Councilman who served here, who also died at that same time. Rich McElroy, who was the Ward 8 Councilman. Um, he passed away of cancer this last weekend and those of you who didn't have the opportunity to know Rich, he was an author, he was a family man, he was a teacher and he was a gentleman. And I can think of no finer person than Rich when I look at someone who should represent this community. Number two, we've had a void in the audience of uh...a person for um...a few weeks now and I'd just like to give you an update. I talked to uh...and also Chris Smith talked to Pete DiGiacomo yesterday. He's back in the hospital and he is not doing well. And those of you who get an opportunity to give him a call, send him a note, wish him well, put him in your prayers, uh...even though Pete and I didn't see eye to eye everyday, um...he was a...was and is still a wonderful human being and um...our thoughts and prayers are with Pete. Anyone else? Clerk Dougherty.
