Note 1: The City of Canton is responsible to maintain this section of Broad St. per CEDA Agreement with Canton Township.				
Note 2: After base and intermediate work is complete, apply surface course.				
Note 3: Settlement period for base stabilization is complete. Apply surface course.				
Note 4: Waterline is scheduled to be replaced in 2023. This year we will perform a 1" mill and apply Chip Seal and Fog Seal to hold the street together until paving in 2024.
