IV. Application and Award Process

- A. Businesses that wish to apply for a grant from the Program shall submit their application via the online Application at www.cantonohio.gov. This application can be completed via computer, tablet or smartphone with an Internet browser and Internet access. In order to accommodate potential applicants unable to access electronic materials, applicants should contact Chris Hardesty (telephone 330-438-4306) to access hard copy materials and discuss the related submission of those materials. Applicants are highly encouraged to submit the application via the online tools provided in order to facilitate the speed of submittal and accuracy of the completion of the application. While every effort has been made to provide a simple online application for the grant, some additional information may be required from applicants in the selection process. In those cases, that information should be readily accessible if the applicant has already submitted an application for an SBA loan.
- B. Applications taken will commence at 8:00AM on Monday, September 28, 2020 and run until 8:00PM on Wednesday, September 30, 2020. All applications must be submitted during this time to be considered.
- C. Upon receipt of each application, the city of Canton will forward each application to ECDI to be examined for completeness. In the event the application is incomplete and/or the applicant fails to include all information required, ECDI will notify, by email, the applicant of the incomplete submission. Failure to respond within two business days with the required information will disqualify the Application.
- D. All applications that are complete will receive a sequential grant application number indicating the order that the complete application was received. This number will factor into the review as a way of prioritizing distribution of funds in the event scoring of the application results in equal scores to other applications.
- E. ECDI will review and score each complete application based on the criteria outlined above and the information provided in the application.

- F. Upon approval by Office of Community Development, businesses will be awarded a grant of up to \$10,000. Grants will be funded only to the extent that grant funds are available. Grant awards will be announced by the City of Canton beginning on Monday, October 12, 2020. Following award of each grant, ECDI will email each business receiving an award a grant agreement. The business must complete and sign the grant agreement and any requested supporting documentation and return the same to ECDI to receive grant funds. Grant funds will be distributed as soon as all requested documentation and is given to ECDI.
- G. If after award of grant funds for all applications received during the first funding round there are still funds remaining to be granted and/or subsequent funds are received by the City of Canton for the purpose of making grants hereunder, subsequent rounds of funding may be announced and conducted. Any application that is complete and meets all eligibility, but was not funded in a certain round will be reconsidered for funding in the next subsequent funding round.
- H. The City of Canton may require any business owner to complete any necessary documentation to determine if the grant to that business may be funded out of the State of Ohio's CARES Act allocation. Completing such documentation will not be considered by the City of Canton as a pre-requisite to the business having submitted a completed application, but instead is only necessary to determine the appropriateness of funding through the provided funds.
- I. Nothing contained herein is intended to obligate or bind, nor shall it be construed to obligate or bind, the City of Canton to make, award, or fund any grant to any entity whatsoever, and no entity shall have any claim, action, or cause of action against the City of Canton or any granter of funds for failure to make, award, or fund any grant. All determinations will be made in the spirit of meeting the objectives of this program. The decisions of the Office of Community Development are final, not subject to appeal and fully within the discretion of the Office of Community Development.
