The Plan presents the City’s plan for providing for and encouraging all citizens to participate in the development, revision, amendment, adoption, and implementation of:

- The Citizen Participation Plan
- The Consolidated Plan (CP)
- The Annual Action Plan (AAP)
- The Consolidated Annual Performance and Evaluation Report (CAPER), and
- The Section 108 Loan Guarantee Program

Lead Agency

The Department of Community Development is the lead agency responsible for the administration of the Community Development Block Grant Program (CDBG), HOME Investment Partnerships and Emergency Solutions Grant (ESG) Programs.

Effective Date

Subsequent to approval of this amended Citizen Participation Plan by City Council and HUD, the Plan shall be effective until it is amended or otherwise replaced.

B. ENCOURAGEMENT OF CITIZEN PARTICIPATION

General

The City citizen participation plan provides for and encourages its citizens...”to participate in the development of the consolidated plan, any substantial amendment to the consolidated plan, and the performance report. These requirements are designed especially to encourage participation by low- and moderate-income persons, particularly those persons living in areas designated by the jurisdiction as a revitalization area or in a slum and blighted area and in areas where CDBG funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods, as defined by the jurisdiction...” 24 CFR 91.105 (a)(2)(i)

With respect to the public participation initiatives included in this Plan, the City will take appropriate actions to encourage the participation of all its citizens, including minorities, non-English speaking persons, and persons with disabilities, as described below.

Low- and Moderate-Income Persons

Whenever possible, the City will conduct at least one public meeting in a neighborhood that contains at least 51% low- and moderate-income residents, based on current HUD data, during the development of the Consolidated Plan and the Annual Action Plan. In the event of a disaster the City will follow guidance issued by HUD.

Non-English Speakers

The City of Canton recognizes the need to undertake reasonable actions to facilitate the participation of persons with limited English proficiency. According to the United States Census Bureau, 4.6% of Canton’s residents are Hispanic or Latino and 4.8% of households do not speak English at home. The City will undertake all reasonable actions necessary to allow such persons to participate in the community development process. Such actions may include the provision of an interpreter and/or the provision of materials in the appropriate language or format for persons with Limited English Proficiency.

Persons with Disabilities

To encourage the participation of persons with disabilities, the City will continue to include the following language in all public meeting notices published in the Repository:

The City of Canton will make reasonable accommodations and services necessary for sensory-impaired and disabled citizens at the public meeting. Additionally, translation services may be offered upon request and availability. Persons requiring such accommodations/services should contact the City at least five working days in advance of the meeting.

The City will conduct all in person public meetings in locations that are handicapped-accessible, when available. Generally, meetings will be held at City Hall, which is centrally located and handicap accessible. City Hall is located in a census tract with a high concentration of both minority persons and low income persons. Additional meetings will be held within or

near the target areas, at times affording participation by the most affected residents, as requested. Meetings may be held virtually.

Organizations and Agencies

The City encourages the participation of local and regional institutions, the Continuum of Care, businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations in the process of developing, revising, amending, adopting and implementing all documents covered by this Plan. This will be achieved through stakeholder interviews, focus groups and/or public meetings.

Local Public Housing Authority

The City encourages, in consultation with Stark Metropolitan Housing Authority (SMHA), the participation of residents of any public housing developments located within the City, in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan. The City will provide information to the executive director of SMHA about the Consolidated Plan activities related to the public housing developments and communities so that SMHA can make this information available at the annual public hearings required for its Public Housing Authority Agency Plan.

Public Notices

To the greatest extent possible, public review/comment periods and public hearings held in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan shall be advertised in the Repository no less than seven days before the public hearing is held. In the event of a disaster the City will follow guidance issued by HUD.

Public Hearings

In accordance with 24 CFR 91.105(e)(1), the City will hold “at least two public hearings per year to obtain residents’ views and to respond to proposals and questions, to be conducted at a minimum of two different stages of the program year. Together, the hearings must address housing and community development needs, development of proposed activities, proposed strategies and actions for affirmatively furthering fair housing, and a review of program performance.” Per 105(e)(2), at least one of the hearings will be held before the proposed consolidated plan is published for comment.

To the greatest extent possible, all public hearings will be scheduled at times and locations that are convenient for potential and actual program beneficiaries, and with accommodation for persons with disabilities and non-English speakers in accordance with this Plan. Meetings may be held virtually. In the event of a disaster the City will follow guidance issued by HUD.

To accommodate social distancing and stay-home orders, both the mega waiver and the CARES Act allow public hearings to be held virtually for 2019 and 2020 plans. As a result of the COVID-19 Pandemic and the availability of CARES Act Funds, the review period will be reduced to 5 days, including weekends.

Technical Assistance

City CDBG/HOME/ESG staff are available to assist organizations and other eligible individuals that are interested in submitting a proposal to obtain funding through the CDBG/HOME/ESG programs. All potential applicants are strongly encouraged to contact the Department of Development for technical assistance before initiating a funding request application.

Online Access

The City will post draft copies and final copies of all documents covered by this Plan on its website accessible at www.cantonohio.gov/development.

Other Engagement Techniques

The Plan may be amended as the City continues to gain access to technology that improves the avenues of participation by its residents.

Stakeholder Consultation and Citizen Outreach

In the development of the CP, the City will consult with other public and private agencies including, but not limited to, the following:

When preparing the description of priority non-housing community development needs, the City will notify adjacent units of local government, to the extent practicable. This shall involve, at a minimum, the City sending a letter to the chief elected official of each adjacent unit of government notifying them of the draft CP and how to access a copy online for review and comment.

A variety of mechanisms may be utilized to solicit input from these persons/service providers/agencies/entities. These include written letters, telephone or in-person interviews, mail surveys, internet-based feedback and surveys, focus groups, and/or consultation workshops.
