The City of Canton Department of Development collaborated with local non-profit housing partners to address affordable housing needs of the community. Between 2016 and 2018, the City allocated $3.16 million of federal community development and housing funds towards the production of multiple and single family housing units and neighborhood improvements leveraging $6.72 million dollars of other funds.

### Locally Leveraged Resources
- $6.72 million

### City Investment of Federal Funds
- $3.16 million

$3,160,000 invested into the community with our partner agencies...

#### National and State Recognition

**Habitat for Humanity Homeowner Maintenance Education Program**

The program was supported with City funds and offered free to Canton residents. The program received two awards for excellence and innovative programming:

- The Clarence E. Jordan Pioneer of Excellence Award from Habitat for Humanity International
- The Audrey Nelson Community Development Award from the National Community Development Association

**Habitat for Humanity NE Canton Renewal Project**

The Ohio Conference of Community Development declared the partnership between the City and Habitat for Humanity East Central Ohio for the agency’s Northeast Canton Renewal Project a “State Best Practice: Neighborhood Revitalization”. The City provided federal community development and housing funds for the project.
