Consolidated Plan Summary

The Consolidated Plan is a consolidation of various HUD Programs, including the Community Development Block Grant (CDBG) Program, the Emergency Solutions Grant (HESG) Program, and the HOME Program. The City of Canton receives funding directly from HUD.

As an entitlement community, the City of Canton is responsible for the preparation of a local strategic plan for community development, as well as a Consolidated Plan and Annual Action Plan that describes the housing and community development activities to be carried out with the City's CDBG, ESG, and HOME funding resources.

The City of Canton's Community Development Annual Action Plan describes the City's priority community development needs eligible for assistance under the CDBG, ESG and HOME Programs, including an assessment of housing, homelessness, public facilities, infrastructure improvements, public services, accessibility, historic preservation, economic development, and planning needs. The Plan includes the City's long-term and short-term community development objectives that have been developed to address the national goals of the CDBG, ESG and HOME Programs, which include:

1. The provision of decent housing that is affordable to low and very low income households.
2. The provision of a suitable living environment, improving the safety and livability of neighborhoods, increasing access to quality facilities and services, improving housing opportunities, and revitalizing deteriorated neighborhoods.
3. The expansion of economic opportunities, creating jobs that promote long term economic and social viability and that are accessible to low and very low income persons.
